BEING TRANSFORMED INTO THE SAME IMAGE FROM

Dear Friends,

What a joy to welcome you to the COTN Leadershift conference hosted by Lifeconnection Church in Calgary, Canada. Like all the other times at Leadershift, we trust that this will be yet another time of growth, encouragement and friendship.

The theme is “MATURING INTO HIS IMAGE”, as a leader. We live in a time where mature Kingdom leadership is essential. It is the day of the Kingdom and there must be mature men and women to lead Gods’ people with humility and confidence. There are so many challenges and questions in the hearts of people in all spheres of society, and they are looking for mature leaders to direct them in the Kingdom and to the King.

In Corinthians Paul writes that we are changed through beholding Jesus, not by doing anything. May we behold Him together at this time, become more like Him and then lead more like Him.

We, as Apostolic Council trust with you for your breakthrough and encounters that will lead to surprises, suddenly and supernaturally! May you experience a shift in the spirit.

Advancing His Kingdom,

Louis Els

(on behalf of the COTN Apostolic Council)
