

Dear COTN Family,

There are not many occasions where we get to relate and interact as a broader family. Yet somehow, whenever we do, everyone seems to embrace it and love being part of it.

Our annual Church of the Nations Day of Prayer is one such instance. In fact, it is the only one thing that we ask all COTN churches to participate in each year. The date for the Prayer Day is always pegged for the second Sunday of September and this year it falls on SUNDAY 10, SEPTEMBER '23. That means it is only 4 Sundays from now.

It's a wonderful opportunity for your folk to feel connected and be part of something larger than just their local church.

As always we will be sending out plenty of supporting material, of which you are welcome to use as much or as little as you prefer.

The Theme this year is **SHOWING THE WAY** - **proclaiming that the Bride and the Kingdom are called to be a prophetic statement in the turbulent day in which we live.**

We look forward to us all participating in what promises to be an exciting event, moving the 'tectonic plates' in the Spirit as we pray.

Blessings

David Cape

On behalf of the COTN, Apostolic Council
