

Dear COTN Elders, leaders and churches,

I trust this finds you well and that the Kingdom is expanding in your part of the vineyard.

It is my pleasure to introduce the theme for this years Church of the Nations – Day of Prayer.

Most of you will be aware that we have one event each year where we ask the whole of Church of the Nations to participate. It is where we ask each church to set aside time during their Sunday meeting/service, to unite with churches around the world in a focused prayer celebration.

**THEME: SPIRIT BREAK OUT.**

DATE: Sunday September 13, 2015.

**Key Scriptures:**

Here are some of the pertinent scriptures which serve as a foundation for the theme we believe the Lord has shown us:

1 Cor 2:12 - Now we have received, not the spirit of the world, but the Spirit who is from God, so that we may know the things freely given to us by God...

Gal 5:25 - If we live by the Spirit, let us also walk by the Spirit.

Acts 1:8 - You will receive POWER when the Holy Spirit has come upon you; and you shall be My witnesses .....

**Background:**

I'd like to underscore what I mentioned in the footnote of the recent AC Talk.

“There is a fresh shifting of things on the earth. Old orders are rapidly being dismantled and things that we held as the norm are swiftly being replaced by the new and instant. Yet too, Heaven is longing to invade earth. There is a fresh change of divine encounters for those who will pursue what the Holy Spirit is wanting to make available. The Spirit of ‘revelation’ and ‘wisdom’ is not accessible to make us look good, but to make us more

aware of the Spirit's fresh unseen realities. It works not only to increase Kingdom principles but also to reveal the King himself.”

We as a church family yearn to see these fresh revelations manifest in our midst. As such we have chosen to seek more of the Holy Spirit's presence as the focus for our Day of Prayer.....hence SPIRIT BREAKOUT.

There seems to be a fresh hunger on the earth and throughout the body of Christ for a greater intimacy and move of the Holy Spirit. There is a longing for a fresh abandonment in the Spirit which appears very genuine. Reflecting on John Scholtz's evening session at the April Cotn Leadershift conference in PE, and some of the moves we have personally witnessed at the outreach in Ekuphumleni near Kenton and back here in Florida in the US, there is a definite hunger and expectation along with clear evidence that the Spirit is on the move.

We as an Apostolic Council believe that unlike visitations of the past, that this time it won't only renew us as a people from within but overflow to bring real change, affecting society socially and culturally in a very real way, which will have an authentic and lasting impact for the Kingdom .

This event is the only truly 'combined international event' we have each year, where we ask every COTN church to participate. We will be providing you with prayer pointers and reminders over the next few weeks.

So, mark the date. It's only 3 weeks away!

Be Expectant!
