

Dear COTN Family & Friends

As you will be aware by the Save the Date notice attached that we are once again approaching our COTN Day of Prayer.

We are very excited about this year's theme of "Kingdom Clarity" and we will be forwarding you more information and materials over the next few weeks.

As you know this is the only fully corporate event we have worldwide every year and we ask every church and ministry within the COTN family to participate.

Blessings

*David Cape*
